

TRIBUTE TO WASHINGTON BY COOLIDGE

**Says First President Succeeded in
Forming Government by Ac-
cepting Responsibilities, Sacrificing**

"NO OTHER WAY"

Failures Not Due to Wrong System, He States, But to Human Frailties — Self-Government no Panacea

Washington, Feb. 22. — President Coolidge, in a radio address delivered tonight from the White House, combined with a tribute to Washington as appeal to the American people to accept the responsibility and continuous sacrifices necessary to make en-

be like minded with him, we must continue to accept responsibility, we must continue to make sacrifices," the President said. "Under all the laws of God and man there is no other way."

The address was delivered by the President in his study in the White House and was made by invitation of the International Rotary clubs, members of which recently asked that the President to deliver an address today, in anniversary of the founding of

"Each year the birthday of George Washington gains wide acceptance as being of more national significance," Mr. Coolidge said. "In far off lands people are observing this day by taking thought of the qualities that gave Washington his foremost place among

the truly great. They are drawn to this man by his calm and clear judgment, by his abounding courage, and by his unselfish devotion. " * * *

System Strong; Wilkes Fall.

"No one can think of America without thinking of Washington. In the history of the world, there is no other place of history before his day. It seems a

for him and his time. When we consider the events since then, we can see a steady growth and development of the ideals which he represented and the institution which he founded world wide in extent. The principles which he fought to establish have been

world wide in extent. The principles
which he fought to establish have be-
come axioms of civilisation. It might
almost be said that the progress
which peoples have made is measured
by the degree with which they have

"Self-government does not purge of all our faults, but there are a few students of the affairs of mankind who would deny that the theories upon which our institutions proceed are the best ones that have ever been advanced."

given the best results **LAZ** have ever been given to any people. When there is a failure, it is not because the system has failed, but because we have failed. For the purpose of insuring liberty, for enactment of sound legislation, for the administration of every bonded justice from the throne to the

execution of the laws, no institution have ever given greater promise of more worthy performance than those which are represented by the name of Washington."

TEACHERS' PENSION SYSTEM VERY SOUND

Examiners Advocate Changes to

Prevent "Death Bed Retirements"

New York, Feb. 22.—Examination of the teachers' retirement system in

revealed that it "is on a sound basis," the state insurance department reported today after an inquiry requested by Comptroller Craig, controller of the system's funds.

The report showed there were 21,766 active members of the system last June 30, the date covered by the report, of which 12,774 or 58.7 per cent were teachers employed in the

public schools on or before August 1, 1917, when the present system was established. Others were classified as "new entrants." These classed as "present teachers" received certain financial advantages.

DEAD IN BED AT KNOX SCHOOL

Harry Olivo, Italian Cook, Passed Away During Night—Body Shipped to Herkimer Where He Was Friends.

Cooperstown, Feb. 22. — Harry Olivo, cook at the Knox school for the past eight months, was found dead in his bed Thursday morning. He had been apparently in his final health the day previous and in the evening attended the movies with a friend, from whom he parted at 10 o'clock, going to his room in the dormitory.

Olivo was a man about 28 years old. He enlisted at Herkimer in the World War and after a term of service was honorably discharged. The body was shipped to Herkimer tonight, where he has friends. His only relative known here is a sister in Italy. He was a quiet fellow but was well liked by his associates.

FORM CHAMBER OF COMMERCE

Bloomville Business Men's Organization Headed by J. H. Johnson—Resumes Ice Harvesting—Roads Drifted, but Possible Trip from Walton Made in 54 Minutes on Wager.

Bloomville, Feb. 22. — The business men of this place have recently organized a Chamber of Commerce on a minor scale and at the last meeting the following officers were elected. J. H. Johnson, president; Charles Coan, secretary; R. M. Maxon, treasurer; two members of executive committee, W. B. Dayton and M. E. Henderson. The object is to bring together the business men and the people of the community that there may be a better understanding among them and also to bring about better conditions which may be of advantage to all in the community. The business men have taken quite an interest in the association and it is to be hoped that the rest of the citizens may be so disposed as to cooperate with them that the desired object may be attained.

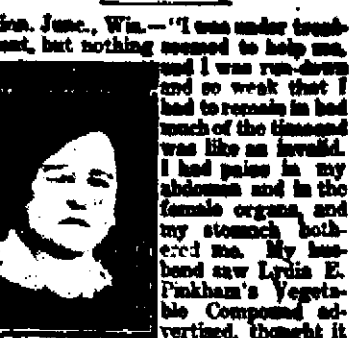

To Remodel Five Homes.
William Clark has purchased the property on Main street next to his market and we understand intends to remove part of the house and the remainder to be made into a private garage. The house has not been in an inhabitable condition for several years past, having been partly consumed by fire, and no repairing done. The barn used by Maurice Jacques as a blacksmith shop is also on this property.

To Resume Ice Harvesting.
Preparations are being made to continue the harvesting of ice from the pond to complete the filling of Sheffield's creamery icehouses. The first cutting of ice was obtained several days ago and while there is ice of sufficient thickness at the present time it has been found necessary to scrape the snow that covering may be done. There are several farmers in the community who find it necessary to obtain their ice from this pond, but are required to wait until Sheffield has their required amount.

Slide Drifted—Grange Delayed.
The heavy snowfall with considerable wind yesterday caused the road between here and Delhi to become badly drifted and delayed the Delhi-Bloomville stage, which arrived here in the afternoon. An automobile from Walton negotiated the drift between here and that place yesterday afternoon as the result of a wager. It is understood that a Walton party who had just returned home from a trip through this section stated that it would take two hours to drive from here to that side, but one of the drivers stated that it could be done in one hour, which resulted

REMARKABLE RECOVERY OF MRS. SPINK

Given Lydia E. Pinkham's Vegetable Compound Full Credit

Mrs. June, Wis. — "I was under treatment, but nothing seemed to help me. I was run-down and so weak that I had to remain in bed much of the time. I had pains in my stomach and in the female organs, my stomach, both of them. My husband saw Lydia E. Pinkham's Vegetable Compound advertised, thought it must be good, and brought it home to me and advised me to try it. After taking one bottle I was able to eat, and after six bottles I was doing my own work, which I hadn't been able to do for years. I have a new baby who is doing nicely, and I am still taking the Vegetable Compound and feeling better than I have for four years. The medicine is surely wonderful and good thing to have in the house." — Mrs. GEORGE SPINK, Minnesota Junction, Wisconsin.

A country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound reports 98 per cent. benefited. For sale by druggists everywhere.

COMMENTS OF THE PRESS

The Nation's Footnote.

The population of New York state is approximately 16 per cent of the population of the whole country. New York state in 1923 paid \$711,000,000, or 2.4 per cent, of all federal revenue. In 1924 New York state paid \$712,000,000 or 2.5 per cent of the nation's total.

In the last fiscal year the commonwealth of New York received \$222,000,000, or 57 per cent of the total for the nation.

New York state has a representation of slightly less than 10 per cent in the house and a little more than 10 per cent in the senate.

In other words, this state, which pays more than one-quarter of all federal taxes and which collects more than half of all common taxes, will have 43 votes on the present tax bill out of a total of 435 votes in the house, and two votes out of a total of 24 votes in the senate—a fact big in meaning. — [New York Herald.]

As Good as Unanimous.

The vote in the senate on the confirmation of Owen J. Roberts as special government counsel in the oil inquiry was 63 to 8. To get the right of the vote it is well to read the list of the dissenters, as follows: Democrats — Ashurst, Wheeler, Sheppard.

Radical Republicans — La Follette, Brookhart and Fletcher.

Farmer-Labor — Magnus Johnson and Shipstead.

As at least seven of these gentlemen would vote against the confirmation of the Archangel Michael if he were nominated by a conservative President, Mr. Roberts' confirmation is as good as unanimous. — [New York Herald.]

Germany Today.

Germany's foreign secretary, Dr. Brüning, has just reviewed his country's situation with an eye on the decisive stage upon which the reparations issue is about to enter with the presentation of the Dawes and Young plans. He declares that three things are essential if Germany is to be able to meet reparations payments—unity of the Reich, unity of German transport and restoration of conditions as they prevailed in the Ruhr before its occupation by France and Belgium. — [New York Herald.]

Privileged Users of the Streets.

"The streets belong to the public and are primarily for the use of the public in the ordinary way. Their use for the purpose of gain is a special and extraordinary use and may be conditioned as the legislature deems proper." So the United States supreme court disposes of the taxicab owners' lawsuit on the New York state law requiring them to put up surety bonds against judgments for damages caused by their vehicles. — [New York Herald.]

A Novel Memorial.

The erection in London of a memorial to the birds, beasts and fishes that perished in the British empire as a direct effect of the war, is an unusual expression of honor for dead animals. About \$10,000 has been subscribed for the purpose and the memorial is expected to be tangible form this year. — [Pittsburgh Gazette-Times.]

The Remains of Vandenberg.

Mr. Vandenberg has certainly got what he says he wanted—full vindication for Mr. Harding's reputation against the charges of scandal. — [McGraw-Hill.]

Of Mr. Vandenberg himself the remains is small. — [New York Sun.]

Protective Tariff For Canada.

If the people who demand a tariff for revenue are sincere they will vote for a protective tariff. Such a tariff, by building up industry as it has done in the United States, will increase the earnings of producers and thus enable them to pay the taxes levied for revenue. — [Toronto Mail and Empire.]

ONE CAUSE OF LANE KNEE.

By James W. Bates, M.D.

You have a knee that is beginning to give you trouble and you are at a loss to figure out what is causing the pain.

It is on the inner side of the knee and sometimes the pain is more severe than at other times.

You feel that when you have been on your feet more than usual that the pain is worse.

There doesn't seem to be much swelling, you are not sick in any way, and have no temperature.

What is likely the matter?

Well, you are getting well and feeling pretty well, and it may be that you are getting heavy, putting on a great deal of weight.

What effect does this have?

Well, this extra weight must be sustained by the knee.

The hip is wide and takes the center of gravity out to a considerable distance from the center line of the body.

The hip bone is coming forward and the knee is being swung away from the center line of the body.

The knee has to swing out again to make a fair balance for your body.

And just here where the bone from the hip and the bone of the lower leg meet is a ligament holding the bones together.

It has some real job doing to the lower end of upper bone swinging in, and the upper end of lower bone swinging out. You see that a natural spread covers between the bones.

If then, you put 20 to 30 pounds more weight on it, the job will be still harder; it may give way a little and your knee will suffer.

The obvious thing to do is possible to keep the weight down, and not put too much on a heavy, extra weight.

As I pointed out in a former article, a fat foot is a frequent cause of the foot of the knee. Putting a couple of lbs. on the lower side of the foot and taking the strain off the knee.

MEMORIAL HEALTH BUILDING.

Watertown Enshines Memory of Sons Who Died in Service.

A new health building destined as a memorial to the men of Watertown who served in the World War has recently been formally opened in that city. It will contain a bronze tablet of Tiffany design, bearing the names of local men who died in service.

The property represents a value of approximately \$50,000. The lot was a gift, about \$25,000 was donated by contributors to the Watertown project who assigned to this later project the windows which otherwise would have been returned to them at the close of the war activities; the balance was raised largely by private subscription. The architects contributed their services.

The building is centrally located, stands alone, and is assured light on all sides. Its dimensions are 40 feet by 75 feet.

In addition to the office of the superintendent and offices for the local Red Cross chapter quarters will be provided for tuberculosis, child welfare, dental and other clinics. A parking space for baby carriages has been provided in the basement.

The erection of the memorial is due largely to the efforts of the Watertown Visiting Nurse association.

Seybold vs. D. & H. Incorporated.

The action brought by Arthur Seybold, Esq., against the D. & H. company and noticed for trial at the term of the supreme court which commences on Monday next at Cooperstown, has been discontinued, a stipulation to that effect having been made. This action resulted from the motor car accident occurring at the Cooperstown Junction crossing some time ago. The plaintiff desired to discontinue the action.

CHANGING HOME WEDDING

Ralph D. Hannay and Miss Alice Gertrude Nye of This City Married Yesterday Afternoon.

A quiet and altogether charming home wedding was that of Miss Alice Gertrude Nye and Ralph D. Hannay, which was solemnized at 2 o'clock yesterday afternoon at the home of the bride's father, Arthur E. Nye, at 43 Cliff street, this city. The ceremony was impressively performed by Rev. Edwin J. Farley of the First Baptist church, who is the pastor of both bride and groom and also was the officiating clergyman at the marriage of the groom's parents at Stillwater, 24 years ago.

The ceremony was performed in the parlor of the Nye residence, which throughout was handsomely decorated with palms, hollyhocks and daffodils, artistically arranged by Wyckoff, the florist. The Mendelssohn wedding march was played by Miss Marion A. Hannay, a sister of the groom. The bride, who was unattended, was attended by Miss Marion A. Hannay, a sister of the groom. The bride, who was unattended, was attended by Miss Marion A. Hannay, a sister of the groom.

There were about thirty guests in attendance, all of them near relatives or intimate friends of bride and groom.

The bride was the recipient of numerous gifts, including silver, china, furniture, linen, and a substantial sum of money, all of them tributes of esteem from many friends.

Following the ceremony and congratulations, a delicious wedding luncheon was served under supervision of Mrs. Thomas Blinn, an caterer, and with three friends of the bride, the Misses Mildred Thurston, Anna McGuinness and Blanche Elford, serving the company. A little later Mr. and Mrs. Hannay left, pleasantly showered with confetti, on a wedding trip of about ten days' duration, going via Albany to Chicago, Cleveland and Buffalo. On their return they will reside at 43 Cliff street.

The bride, who is the youngest daughter of Mr. Nye, is a graduate of the Oneonta High school and of the Stillmore School of Art at Saratoga Springs. She is a member of the Eastern Star and the Adelphean society and is deeply interested in the church, social and literary life of the city. The groom, who is a son of Jay Hurton Hannay of Schenectady, has for the past seven years been connected with the D. & H. office in Oneonta and is now chief clerk to the trainmaster at the Schenectady division. Both bride and groom are members of the First Baptist church and are active in its various organizations. They have many warm personal friends in Oneonta whose congratulations to them will be shared with personal felicitations that Mr. and Mrs. Hannay are to continue as residents of our city.

Among the guests from out of the city present at the wedding were: Jay E. Hannay, the Misses Marion, Harriet and Mildred Hannay and E. Arthur Hannay of Schenectady; Miss Anna McGuinness of Endicott and Miss Mildred Thurston of Delhi.

DAVE WEIDMAN WEDDINGS

George Davis and Mrs. Gertrude Weidman, Popular Residents of Oneonta, United in Marriage Yesterday Afternoon at Bride's Home, 9 Weidman Place.

George Davis and Mrs. Gertrude Weidman, both well known, popular and much respected residents of this city, were united in marriage at 2 o'clock yesterday afternoon at a very pretty ceremony performed at the bride's home, 9 Weidman place. The impressive rites were solemnized by Rev. John W. Flynn of the First Methodist church in the presence of many relatives and close friends of the two families.

The gorgeous home had been handsomely decorated for the occasion under the supervision of Florist Ralph S. Wyckoff. The color scheme was pink and white. Baskets of roses and hyacinths were tastefully placed about the rooms and the ceremony took place under an arbor of palms, tulips and hyacinths.

The bride, who was attired in blue tulle and carried a bouquet of pink sweet peas and roses, was attended by her sister, Miss O. B. Harmon, of Johnson City, who was clad in ecru silk and wore a corsage of lavender sweet peas. The best man was O. B. Harmon, Little Miss June May Weidman, niece of the bride, was flower girl and carried a basket of pink sweet peas. The bride was given away by her youngest brother, Arthur Hannachke.

Prior to the ceremony Frank Walsh sang "O Promise Me" and the professional was Mendelssohn's "Wedding March" played as a piano solo.

Following the ceremony and congratulations the party proceeded to the Elks home where a splendidly prepared and daintily served wedding luncheon was served under the direction of Edward Caulkins. The table was centered with a huge basket of pink roses and white hyacinths and at each place was a small basket of rose buds and tiny figures representing a bride and groom. Music during the dinner was furnished by the Bon Ton orchestra.

Hand-cuffed together and nearly smothered with confetti, Mr. and Mrs. Davis were escorted to the D. & H. station and put aboard the 2:20 train for Albany, whence they will go to Montreal, Quebec and other points in Canada for a two week wedding trip. Hand bills disclosing their identity were handed to the passengers that the reception might be made a lengthy one. Upon their return to Oneonta, Mr. and Mrs. Davis will make their home at 9 Weidman place.

The bride is a woman well and favorably known in Oneonta, which has been her home for years, and she has a host of friends to wish her happiness. Of gracious personality and possessed of many admirable traits of character, she is a woman loved and respected by all who know her. The groom, a resident of this city for eleven years, is a D. & H. engineer and one of the most popular young men in the employ of the company. His general nature and sterling character have won for him a great number of friends, all of whom will have only the best of wishes for himself and his bride. A tangible reminder of the esteem in which the couple are held is the extensive and handsome array of wedding gifts.

Those present at the ceremony from outside the city were Miss Ruth Davis and John Davis of Wilkes-Barre, sister and brother of the groom, Mr. and Mrs. O. B. Harmon of Johnson City, the latter a sister of the bride, and Mrs. Hugh Miller, also of Johnson City.

Death of Charles Hoag.

Otego, Feb. 22. — Charles Hoag, a former highly respected citizen of Otego, died Wednesday at the home of Henry Nearing of Gilbertsville, with whom he had made his home of late, of the infirmities of age; aged 85 years. The funeral will be held at the Baptist church in Otego this (Saturday) afternoon at 2 o'clock. Burial will be in Evergreen cemetery.

Surprise Homecoming.

Thursday evening the Brewer avenue friends of Mr. and Mrs. E. A. Albert gave them a surprise homecoming at their new home on Draper street. After a delicious hot supper, served by the ladies of the party, the evening was devoted to cards, games, etc. All voted Mr. and Mrs. Albert equal to the emergency, and a delightful host and hostess.

METHODIST CHURCH ONCE WET
Refused to Preach Ministers From Selling Liquor.

The little "bone dry" element in the then exceedingly "wet" Methodist Episcopal church fought 100 years ago in General conference for the passage of resolution that would prevent preachers and official members of the denomination from selling liquor to the public, only to be defeated by a three to one vote. It is told in the District World Service program campaign now under way by Dr. J. W. Olson, field representative of the national advance and conservation commission of Canada, as one of the interesting bits of history given in the Binghamton District World Service campaign. There was not enough temperance sentiment among the churches and churchwomen of that day to put across so emphatic a rule as now prevails everywhere throughout the denomination, the preacher reveals.

This is just one of the many unusual side-lights and oddities of bygone days afforded through the coming to the district of national leaders of the church, who are filled with the fire of constant activities and church developments. But Dr. Olson adds that finally the unpopular "dry" element of those days—in a church now leading the van of the "dry world" movement—passed the resolution that provided if an official of the church made or sold booze on premises with an accompanying violent outbreak of "enthusiasm" from his property, he would be "held responsible of the same."

OTSEGO MOTORS GARAGE

Handy Storage and Drive-In Filling Station Opens at 391 Main Street.

Otsego Motors, the local agency for the Cleveland motor cars, conducted by Guy A. Francis, is now at home in its location at 391 Main street. The garage, a new one of fireproof construction, has but limited floor space, but according to Mr. Francis, "is large enough to accommodate all the work that I can personally supervise, and that is large enough. Our general garage business will not be a sideline, but will rank equal attention with the sale of the Cleveland automobile in which I have sincere confidence."

Mr. Francis went on to say that besides the drive-in filling station and a lubricating rack he would feature car washing, doing the best sort of a job at the lowest possible price.

All kinds of repair work will be prepared for in the equipment of the garage and skilled mechanics will be secured for the work.

U.S. FLYERS TO CIRCLE WORLD

Try We Show Ease of Communication Between the Continents.

Washington, — Secretary of War Weeks has formally approved the project for a flight of four or five army airplanes around the world next spring and summer.

This flight, the most ambitious undertaking of the army air service, is intended to demonstrate the feasibility with which aerial communication may be established between the various continents and to obtain data concerning the operation of present type airplanes under varying climatic conditions.

As now planned, the personnel for the flight will consist of four commissioned officers and four enlisted men, well qualified for a long and arduous flight. The selection of personnel is now under consideration by Maj. Gen. Mason, chief of the air service, and his associates.

Until authority has been received from all foreign governments whose territory will be visited the exact route of the flight will not be determined. The route tentatively mapped out follows:

Leave Washington about the middle of March and proceed to Seattle. Depart from Seattle about April 1, flying northward along the coast of Canada and southern Alaska.

They will fly across the Aleutian Islands, down through the possessions of Japan, along the shores of China, French Indo-China, Siam and Burma, across India, up the Persian gulf, across Turkey and Europe to England, thence north through the Faroe Islands to Iceland, thence to Greenland and southward along the eastern shore of the continent to Cape Farewell, Greenland, from which point a direct flight will be made to Hamilton Inlet on the Labrador coast, thence southward along the Canadian shore and up the St. Lawrence river to Quebec and Montreal, from which point the flight will proceed to Washington, thus completing the circumference of the globe via the air.

This itinerary has been worked out tentatively in the expectation that it will enable the flyers to dodge the rainy seasons in the United States and India and insure flight over Iceland and Greenland during August and September.

Existing airway facilities will be followed in the United States, southern Japan and between India and London. The intervening sections of the long route will be given further study by experienced pilots, who will proceed over the route prior to the departure of the flyers.

A path-finding expedition of two officers has been in the field for some time. Lieut. Clarence B. Crumrine is now in Greenland, investigating facilities for aviation there. Lieut. Clifford C. Nutt, now in the Philippines, will visit Japan to make preliminary arrangements as soon as the wishes of the Tokyo government have been made known to the State department.

Meanwhile, a detailed study of the route is being made in the office of General Patrick, the United States coast guard is obtaining data on facilities between Seattle and Attu Island in the Aleutian group, which is the point of departure of the flight from United States territory.

Special attention is being given to weather conditions along the proposed route, with a view to making available every possible facility to the army flyers.

The planes chosen for the flight are Douglas world-cruisers, designed and built by the Douglas Airplane company, Santa Monica, Cal. They will be powered with Liberty motors. At Seattle the planes will be equipped with postons for water landings. Present plans contemplate removing the postons at Tokyo and using landing gear from that point on.

PRINCIPAL TYLER RESIGNS

Head of Ogdens School Resigns Following Publication of Alleged Indecent Photographs of Children.

A commotion has been created in the Ogdens school system following the publication in the Times of that village of articles indicating that the principal of the village school had been engaged in indecent practices with children. The articles and indicating that the principal was due to resign. The principal, Mr. J. H. Tyler, has been accused of some one active in the school, in a complaint of Editor of the Ogdens Star. Tyler, who was in the village school, was indicted at his resignation. Tyler, who was in the village school, was indicted at his resignation. Tyler, who was in the village school, was indicted at his resignation.

Following the second publication of the present week, the board of education held a meeting on Thursday evening, and after a thorough discussion, in which Principal Tyler was present, and during which he expressed a desire to resign and put a stop to the scandal which is injuring the school, the board accepted his resignation effective at once.

Arrangements have been made with District Superintendent John E. Erickson of this city, to take charge and he will conduct the school, until the board of education can secure another principal. It is already in communication with a Teachers' agency and has one or two candidates under consideration, so that it is expected within a few days at the longest another principal will be on the job.

It is understood that there will be no further investigation of the charges, and that it is hoped that with the resignation of the principal the trouble will end. Principal Irving Tyler, who resigns, announced that he will remain in Ogdens until April 1. He owns a farm in the vicinity of Delhi and this is his first year at Ogdens. The improper acts alleged are reported to have occurred in September and October. While the friends of Principal Tyler assert that the trouble has been caused by the punishment of a son of Editor Fuller by Principal Tyler, and that following such punishment, the rumors commenced to be circulated, yet the facts remain that the rumors would not down and that Tyler has resigned and his resignation has been accepted. Whatever may have been the motive behind the publication in the post of Editor Fuller, or don't's entertained relative to his methods there is considerable sentiment abroad that he has performed a distinct service to the community.

LEAGUE'S MARCH MILK PRICES

Bank Price of \$2.33 Unchanged Since January for Fluid Product.

The producers' base price for class 1 (fluid) milk in March will be \$2.33 per 100 pounds at the 201-210 mile freight zone, according to an announcement made by the Dairyman's League Co-operative association, Inc., which will be in effect on March 1.

Since Jan. 1, prices of the lower classes of milk will be as follows: Class 2-A, milk made into cream, \$2.18. Class 2-B, milk made into plain condensed and ice cream, \$2.25. Class 2-C, milk made into soft cheese, \$2.25. Class 3, milk made into evaporated, condensed and milk powder, \$2.00. Class 4-A, surplus milk made into butter, price based on average wholesale price of butter during February. Class 4-B, surplus milk made into American cheese, price based on average wholesale price of cheese during February.

During the first nine days of the Dairyman's League Co-operative association's withdrawal period (Feb. 12 to 20), only 558 active poolers filed notices of cancellation of contracts.

HEARTY LAUGH BY PATRON OF THEATRE CAUSES DEATH

Reading, Pa., Feb. 22. — A hearty laugh resulted in the death of Emma Crowell, 61, a theatre patron Wednesday. With a neighbor, Crowell was enjoying a comedy and laughed uproariously. Suddenly he slumped in his seat. He was carried to a rear room and then to a hospital, where physicians pronounced him dead.

Crowell, who was a salesman for a children's clothing firm, came here six months ago with his wife from Paris, N. Y.

ACCIDENTALLY KILLS SELF. Syracuse, Feb. 21. — Norman A. Brundage, a student at Syracuse university, died tonight from a knife wound inflicted accidentally by himself yesterday in a meat market. The young man, who had been working for his way through the university, was holding a roast of meat when the knife slipped and struck him in the side just above the right hip. Brundage was to have been graduated next June. His ambition had been to obtain a college education.

DOCTOR IN DOVER COMMENDS "FRUIT-A-TIVES"

This Wonderful Fruit Medicine Relieved Torturing Eczema

Dover, New Hampshire. "In 1926, I began to be troubled with Eczema. It started on my face and gradually spread. The second summer, I was so badly afflicted I had to lay off work. I would keep my hands tied up at night to prevent scratching my face while asleep. I spent hundreds of dollars in seeking relief. I went on for several months without trouble and then the Eczema would break out again and I would be in for a year of suffering."

My hands, especially across the knuckles, would be so puffed and swollen I could not do any obstetrical work or operations. It was about three months ago I changed to read an advertisement of "Fruit-a-tives" about a person being relieved of Weeping Eczema by using this remedy and "Sootha Salva". I bought both and in about a week, noticed an improvement. I have now used two boxes of "Fruit-a-tives" and one of "Sootha Salva" and am entirely free of Eczema.

My flesh is clear and smooth and I am that gratified with the results that I cannot proclaim too loudly the merits of these remedies.

E. N. OLLENDAM, D.V.M.

"Fruit-a-tives" act so excellently on Eczema because these wonderful tablets, made from fruit juices and tonics, first of all, rid the system of impurities. "Fruit-a-tives" regulate the bowels, correct the Constipation which is usually present in Eczema. When the bowels, liver, stomach and skin are all regular and in healthy condition, the blood is pure and there are no impurities to be deposited on the skin, causing Eczema, Pimples and other Skin Blemishes.

If you have any skin trouble, such as Eczema, try "Fruit-a-tives" 50c. a box, 6 for \$2.50, trial size 25c. At dealers or sent by
